

21st Annual Skyview Jazz Festival

Hello fellow band directors, jazz directors, and jazz enthusiasts!

I would like to personally invite you and your ensembles to participate in the 21st Skyview "Storm of Cool Jazz" Jazz Festival on December 7th! We have an exciting lineup of adjudicators/ clinicians and educational opportunities for your jazz students!

At our festival, we offer a full performance clinic after your stage performance with one of our fabulous clinicians, as well as an optional sight-reading contest/clinic. This means an hour of additional instruction time to your performance experience! We also offer a special award for top soloist recipients; Our middle school top solo winners will receive a \$25.00 gift certificate to Music World, and our High School brass soloists winners will receive a Monette Mouthpiece (sponsored by Monette) with our saxophone and rhythm solo winners receiving a gift certificate to Music World of equal value! This is a GREAT opportunity to ease your band into festival season and receive fantastic critique from seasoned jazz educators!

We are excited to feature River City Riot! Brass Band as our featured guest artists! This New Orleans style brass band heavily influenced by the musical stylings of The Dirty Dozen Brass Band, Rebirth Brass Band, and Young Blood Brass Band, features several local freelance jazz players from the Portland Metro who also are prominent jazz/ music educators in the area! Get ready for a toe-tapping, tailgating, rip-roaring good time!

We are also excited to announce our fantastic panel of adjudicators/ clinicians!
Susie Jones- Mt. Hood Community, Ret.
Al Aldridge- Ridgefield High School, Ret.
Ryan Meagher- Lower Columbia College, Mt. Hood Community College, MYS
Aaron Barnes- The 1905 Jazz Club
